BANQUET REGISTRATION DEADLINE: The cutoff date for banquet registration is July 15th, 2019.

BANQUET REGISTRATIONS: Banquet registrations will be through Stacy's website's online information and registration page at <https://stacyjamesevents.wufoo.com/forms/z1bhpoi512qe00h/>. A registration must be completed for EACH person attending. You do not need to login to access the Seminar Banquet registration page.

Please remember that the registration process is a separate function from the payment process. You need to complete both successfully to be registered. Unit Banquet events are registered and paid for separately. Contact your Director for more information concerning them.

PAYING WITH CREDIT CARDS: A variety of credit cards may be used to pay for the Banquet package.

- **Do not use Debit cards** unless you have at least twice the amount to be charged in the account. When a debit card is used some banks put a hold on the funds and then charge the account. After the charge is successful, the bank releases the funds on hold. The fund release can take anywhere from seconds to a day. This delay may overdraw your account unless you have adequate funds.
- People who successfully complete the credit card transaction will receive an e-mailed receipt with a unique transaction order number for each successful credit card charge.

REFUNDS: Refunds will be issued until the final meal count guarantee is given to the hotel on July 22nd. After this date, we are financially liable for all meals and refunds will not be provided.

SUBSTITUTIONS: Every event has last minute substitutions. However, for the evening to go smoothly for everyone, it is imperative that we know who is being substituted for whom. Brian does the unit seating assignments and place cards a few days prior to leaving for Seminar and all substitutions names can be corrected before this point. (Also, please make sure the hotel has been notified of any roommate changes.)
